TERMS AND CONDITIONS

- **1. PAYMENT:** Buyer will make a minimum 50% deposit payment on date of order. Balance is due on date of shipment, including freight invoices and handling services. Charges will be charged on overdue accounts at the maximum legal rate or 1.1120% per month (18% per Annum), whichever is less.
- **2. WARRANTIES AND SELLERS & LIABILITY:** Seller warrants that its plant materials are of the varieties true to name as described in this acknowledgment. Proof of inoculation can be obtained by random selection of 3 plants per 100. They must show a minimum of 10% mycorrhizal tips matching the morphological description of the purchased species. Alternatively, molecular techniques (DNA sequencing) can be utilized on any part of the plant or the planting media inside the original pot to verify presence of the fungus. Liability on the Seller's part is limited to the plant and media to the edge of the original container.
Upon proof to seller's satisfaction that the plant materials delivered to Buyer are not of the varieties described in the Acknowledgment, Seller, at its discretion will either replace such plant materials or refund the portion of the original purchase price that relates to such plant materials. Any claims concerning plant materials must be submitted by Buyer in writing to seller within the following periods after receipt of such plant materials by Buyer:
 - **A. Within 5 days:** Claims for incorrect counts or sizes. (Subject to the Provisions of Section 3, below.)
 - **B. Within 5 days:** Claims for mortality or variety errors on inoculated plants. This warranty does not apply to plant materials damaged or injured during shipments on contracted carriers, or due to Buyer's negligence, improper care, unreasonable use or abuse. Under no circumstances shall seller be liable for any amount greater than the original purchase price.

- **3. CONTINGENCIES:** This order acknowledgment and Seller's liability hereunder is subject to Seller's crop growing conditions and is made with the understanding that orders may be voided or modified by Seller should Seller be unable to perform any terms or conditions of this Acknowledgment due to the following: Any and all weather conditions including but not limited to drought, flood, fire, frost and hail; errors in count; labor problems; crop failures; pestilence; war; embargo; government regulations or restriction of any and all kind; expropriation or condemnation of property by governmental authority; interruption of or delay in transportation; accidents; explosions; inability to obtain material and supplies; excess of demand for equipment over available supply; and any other causes within or beyond the Seller's control. - **6. DEFAULT AND REMEDIES:** Time is of the essence of this Acknowledgment. If Buyer becomes insolvent, fails to make any payment within the time required, or fails to perform any other obligation imposed by this Acknowledgment or by law, Buyer shall be in default and Seller may immediately enforce any and all remedies provided by law.
